COLLEGE MENTAL HEALTH & WELL-BEING:

*Supporting Equity through
Innovation, Responsiveness and
Action*

**FRIDAY, APRIL 30, 2021
9:00AM- 1:30PM EST**

Please join us for a free, virtual symposium on promoting the health and well-being of diverse student populations on college campuses. Faculty and staff working with students, as well as students themselves, are encouraged to participate as we highlight innovative strategies and tools you can use immediately on your campus and in your classroom.
