Position Title: CNC Machinist

DNC Hydraulics are seeking full-time skilled CNC machinists for our Haas machines, who possess an excellent work ethic and outstanding CNC operating and setting competence. The candidate should have a strong CNC turning / milling machining background producing high volume tight tolerance parts and have the ability to run independently with little to no supervision.

Responsibilities and Duties:

- Operate & set tools for HAAS 3-axis Milling Center and HAAS turning center.
- Read blueprints and measuring tools to determine dimensions and tolerances of finished part
- Trouble shoot tooling issues to ensure efficient operation and high quality.
- Performs basic math calculations, including but not limited to, addition and subtraction of decimals
- Inspect work using standard and automated inspection equipment to required frequency
- Interprets basic dimensions on a blue print in metric
- Follows documented operator procedures such as inspection check sheets and SOP's
- Maintains a clean work area and observes all safety procedures
- Executes machine offsets and tool changes
- Set up tooling using Renishaw tool setter
- Able to work with cutting oils and warm temperatures
- Perform other duties as directed by supervisor

Qualifications:

- 1+ years' experience as CNC setter / operator on CNC machines
- Ability to read and follow documents, operating procedure and drawings using the metric system
- Ability to detect problems and report information to appropriate personnel
- Be dependable and show up on time with an excellent attendance record
- Ability to prioritize and multi-task
- Physical ability to safely lift objects as heavy as 40 lbs and stand/walk for more than 7 hours

Job Type: Full-time

Compensation: \$20 / Hr + Benefits

Benefits:

- 401(k) matching
- Dental insurance
- Health insurance
- Vision insurance
- Paid time off
- Flexible schedule

Schedule:

- 8 hour shift
- Monday to Friday
- Overtime

Education:

- High school or equivalent

Experience:

- CNC milling machine: 1 years (Preferred)
